

PAX AIDER

International Movement of Catholic Students (IMCS PAX ROMANA) A Quick guide for Freshers What..? Where..? When..? How..?

About Pax Romana

PAX ROMANA which simply means Peace from Rome. It is an International Movement of Catholic Students in tertiary institutions. It currently exists in about 80 countries worldwide and most tertiary institutions in Ghana. We have our pax parents, most of whom are lecturers on campus and who are very committed to guiding all students to reach greater heights.

Vision: That Christ may be in all

Motto: Liberation for peace

We have a Chaplaincy (church) (Our Lady of the Holy Rosary Catholic Chaplaincy) here on campus where students as well as our pax parents, and other workers come together to worship.

Message From the Pax Council

On behalf of all Catholic Students of KNUST, I congratulate you on your admission into this noble University.

You are highly welcome in the name of our Lord Jesus Christ to this beautiful Pax Family. It is our greatest pleasure to help you settle down on campus and to guide you with your academic and spiritual life. We have long waited for your coming and Praise God you are here with us.

Have a fruitful stay here and may the good and gracious Lord bless you and be with you. We are always willing and ready to help you!

Security Tips on Campus

- 1 Don't walk alone in unsafe areas — Avoid dark, bushy, isolated places and unsafe shortcuts, especially at night.
- 2 Move in groups when possible — Walk with course mates, roommates, or fellow Catholic students, particularly after evening activities.
- 3 Keep your room secured — Lock your door whenever you leave or sleep, even if you'll only be away briefly.
- 4 Protect your keys — Never hide keys under mats or flower pots. Report lost keys, damaged locks, or suspicious access immediately to your Hall/Hostel authorities.
- 5 Use safer transport — Prefer KNUST-identified/embossed taxis and shuttles. Avoid suspicious drivers or isolated pickup points.
- 6 Be alert when travelling — Note the vehicle's registration number, travel with others where possible, and keep your phone, wallet and valuables safely inside your bag.
- 7 Don't carry unnecessary cash — Keep physical money to a minimum and avoid openly displaying valuables.
- 8 Protect yourself during an attack — If confronted by armed robbers, do not resist or fight back. Cooperate and prioritise your life.
- 9 Be security-conscious around vehicles — Park only in designated/well-lit areas, keep valuables hidden, lock your doors, and report suspicious people to security.
- 10 Prevent fires — Don't overload sockets or extension boards; switch off cookers and appliances after use, unplug when appropriate, and keep candles/mosquito coils away from anything flammable.
